Dear Sir:

Request for Notice of New or Revised Publication Date

The above-identified patent application was filed on July 8, 2003, claiming priority to United States Patent Application No. 60/449,447, filed February 24, 2003. Upon review of our file and private PAIR, it does not appear that this application has been published. Kindly provide us with a projected publication date for this application. Thank you.

Respectfully submitted,

Karim FAID et al.
